Please cut your pass out and hang it on your rear view mirror before you arrive – it will help us identify you.

-

99% of our parking is long stay, meaning you can't get your car out during the weekend. Our car park is small so we will have to pack cars tightly.

If you really, really need short stay car parking please let us know on arrival, however this is limited.

-

On Sunday, we close our access drive from 1:30pm to allow for the safe exit of participants. During this time you won't be able to move your car. We'll open the drive as soon as it is safe to do so, normally around 4pm.
