

Durham Scout Event Booking System

Create a login

Once you have received your unique link via email, follow the link and create a login. Please make a note of this somewhere safe, as we are unable to reset these for you. Requesting a reset via the system, will delete all your participants details for data protection purposes.

If you have more than one child attending the event you will need to create separate logins for each. Please note that data and login information does not transfer between events.

For you / your child to be able to attend the event you must consent for the data being stored on the system. If you select no all data will be deleted, if this occurs please get in touch with your leader.

Medical and Permission Form

This is much easier to do on a tablet or laptop than your phone.

Follow the link in the email and login to the system and sign up if you haven't already or just login and use the link on the home page under current tasks.

The online form is pretty self explanatory, but you need to ensure you click save and submit at the end.

The system may ask you to print the form, this is not required as we will have access to the electronic version during the event.

Changes to Medical/Permission information.

If any details change with the medical details or permissions prior to the event, you can update the permission form directly.

Using the username and password you created you can login to the booking system and click 'edit permission form'. Once you have worked through each screen, click submit. The updated details will be visible to us in the system immediately.

Any changes to medical/permissions after the deadline, please contact your troop/unit leader in the first instance.

Durham Scout Event Booking System

T-Shirt Ordering

When completing the medical form for a participant, please also order their t-shirt using the online shop.

On the navigation bar, click the store icon. From here select confido t-shirt and select their size.

Any participants without a t-shirt size submitted by the deadline will be allocated a large adult. T-shirts are part of the event fee, so there is no additional charge for ordering.

Further Help?

In the first instance all queries should be directed back to your troop/unit leader. If they are unable to help you, they will then contact the event organisers.
